(2) As a means of enforcing the collection of any room tax imposed by a municipality or a district under sub. (1m), the municipality or district may exchange audit and other information with the department of revenue and may do any of the following:

- (a) If a municipality or district has probable cause to believe that the correct amount of room tax has not been assessed or that the tax return is not correct, inspect and audit the financial records of any person subject to sub. (1m) pertaining to the furnishing of accommodations to determine whether the correct amount of room tax is assessed and whether any room tax return is correct.
- (b) Enact a schedule of forfeitures, not to exceed 5 percent of the tax under sub. (1m) or par. (c), to be imposed on any person subject to sub. (1m) who fails to comply with a request to inspect and audit the person's financial records under par. (a).
