

Kayak Rental Station Grant
Application Form

Grant Overview

The Fox Cities Destination Master Plan has identified a number of initiatives to help us improve our tourism infrastructure and the overall visitor experience in the Fox Cities. Several key themes included enhancing outdoor recreation opportunities and focusing on our waterways. In response to these recommendations, the CVB identified several initiatives in which we would like to invest, including kayak rental stations along the Fox River through our service area. The CVB is offering a grant program to help Fox Cities municipalities acquire the necessary equipment to offer kayak rental stations.

Grant Deadlines:
